

# *T 'was the Sight Before Christmas*

*...Carol*

Tw'as the night before Christmas,  
and all through the house  
not a creature was stirring,  
except our resident mouse!

The socks were all dirty,  
the wood stove was bare.  
And the hope was that our water  
was soon to repair!

Rainer and Carol nestled snug  
in their beds.  
Cause they had the Flu and  
colds in their heads!

While visions of Vicks swirled  
in our chests,  
we settled ourselves for  
much needed rest!

When out on the lake they  
heard such a clatter,  
of growls and cracks thinking,  
what is the matter?!

They dragged achey bodies to the  
window to see,  
what could be making all this noise?  
No Santa, no sleigh, not even some toys!

When, what to their wondering  
eyes did appear?  
Giant snowflakes had fallen  
from somewhere near!

They seemed to have risen  
from underneath the snow!  
But only to find,  
that wasn't so!

The ice on the lake had  
developed some holes,  
and water on top seeped  
down into bowls!

It made such a sight and  
was magic to see!  
What a picture of beauty  
for you and for me!

With a blink of red eyes  
and a wipe of our nose!  
We found out how  
a snowflake grows!

As the snowflakes did glitter  
all over the lake!  
Our chippys did twitter  
and a racket did make!

" On Rainer , On Carol, On  
Kapikog Friends, No Santa.  
No Sleigh and  
only some deer!

Here are some snowflakes,  
to bring you good cheer!  
Merry Christmas to all  
and to all a Good Year !
