Novel Coronavirus (COVID-19) – Closure of Holiday Cove Marina, Pointe au Baril Wharf and all Municipal Boat Launches/Access Points

April 7, 2020

Following the advice of the Chief Medical Officer of Health, the Ontario government, on April 3, 2020, released a revised list of businesses classified as essential and ordered more workplaces to close. This more comprehensive listing is subsequent to the initial emergency order dated March 30, 2020, which closed all recreational and outdoor amenities.

As a result of the emergency order to close all recreational and outdoor amenities and the revised list of essential businesses, the Township of The Archipelago is taking the following additional measures:

1. Holiday Cove Marina is closed until further notice. This closure includes the use of the boat launch/ramp to customers and to the public; unless it is required to access a primary place of residence (clear proof of residency must be supplied if you require service). The Township does not have any authority to grant any exceptions to this order.
2. The Pointe au Baril Wharf, including docks, boat launch, washroom facility, etc., is closed until further notice.
3. All municipal boat launches/access points within the Township of The Archipelago are closed until further notice.

The Township of The Archipelago fully supports the Ontario Government's COVID-19 "stay at home" language and further reminds all Ontarians that the Premier is recommending that we are all to remain at our primary places of residence.
